A BRIEF REPORT.

THE ANNUAL SCHOOL CONCERT - THE "WESTSIDE STORY"

"An eye for an eye and a tooth for a tooth makes the world blind and toothless". This phrase was perfectly demonstrated by Mrs Guha's team of actors that portrayed how hatred and a fight over a turf of land snatched the right of three people to live, which included Riff(the leader of the Jets),Bernado(the leader of the Sharks) and Tony(the protagonist of the play)

The Bishop's Co-ed School ,Kalyaninagar was privileged enough to stage an adaption of the "West Side Story" on August 4th, 2012.The dignitaries of the Bishop's Education Society, heads and students from all the three Bishop's Schools, were invited to witness the tremendous effort put in by our students . The hall was filled to capacity with proud parents and a number of ex-students. The programme began with a prayer by the C.E.O and Honorary Secretary of The Bishop's Education Society – Mr Frank R. Freese.

West Side Story is about love and romance that develops amid conflict between two warring street gangs, the white ethnic **American Jets** and the newly-arrived **Puerto Rican Sharks**.This adaption of the "West Side Story" is based upon the Shakespearean drama –Romeo and Juliet.

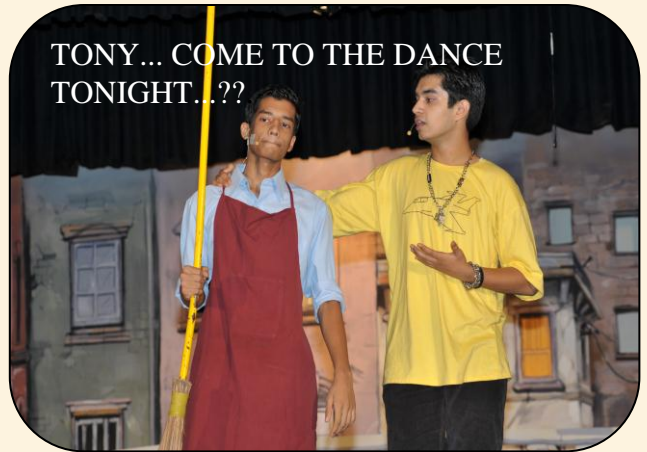

Each spectator was mesmerized by the amazing skill of our amateur group of budding actors and the sincere effort put in by all ---the singers, teachers and each and every member of the support staff without whose collective efforts, it would have been impossible to translate the story into a live performance.

We thank our CEO and Hon. Secretary- Mr Frank R. Freese. for his constant support and encouragement, Mrs Guha for her tireless efforts, Mr Alistair Freese for his meticulous planning, the Art department for the aesthetic sets, the Music department for the foot-tapping music and excellent singing, Mr Harry for the apt choreography of the various dances and last but not the least all the teachers involved with the costumes, make-up, and co-ordination of the entire team.
