A BRIEF REPORT

The CEO Mr. Frank Freese addressed parents of class 8, 9 and 10. He stressed on the overall development of the students which can be achieved only if parents and teachers work as a team. He requested the parents to accept the remarks penned down in their children's diary in a positive manner as it will help in their development. He stressed on student's hygiene to prevent H1N1. He also requested parents to be aware about their children's activities with respect to friends and supervise their studies and not accept all demands put forth by their kids. He also asked the parents not to send mobiles and i-pods to school. He thanked the parents for their full co-operation and asked them to support the school at times of need. There was an interactive session with the parents. Their doubts were cleared by the CEO Mr. Frank Freese, He reinforced that students should not take private tuitions. The meeting was very well attended.
