**A BRIEF REPORT**

*In continuation with the Social Awareness and Waste Management programmes started last year, at the behest of PUG MARKS, Our school collected used notebooks. Our school children brought the books they would not need. This was a very successful drive and we collected about 962 kg of books that were sent for recycling.*

*The PUG MARKS appreciated the effort made by the children and as promised they have given us 30 potted plants and a RAKE.*

*The rake is suitable for our vermiculture pits which we restarted last year.*

*Incidentally as a part of last year's programme, PUG MARKS had a competition for collecting plastic :- THE PLASTIC MONSTER.*

*Our school won the 1<sup>st</sup> prize for collecting the maximum amount of plastic.*
