A BRIEF REPORT

:

There were mixed emotions in the room as the students sat eagerly waiting for the Headmaster to read out the given topics. After a session of brain storming and frantic note taking the students put down on paper their thoughts. The compositions reflected that the students had really worked hard but sadly only the best two had to be chosen. This difficult task was entrusted to our Headmaster, Mr. H. Soggee. The compositions by Darlene Mascarenhas and Akansha Ghosh were adjudged as the best pieces.
