A BRIEF REPORT.

We left for the Barnes School Devlali on the 27th of July. Before departing both teams (boys football team and girls basketball teams) joined hands in a word of prayer said by the headmaster, Mr. Bunyan. For those of us who had already been to Barnes, we were extremely thrilled to be going back and for the newcomers on the team, they were absolutely excited to be going after hearing more than a hundred stories of the school. We left at 10 am and after a long awaited and tiring journey we reached at around 3:30 pm. Mr. A. Freese, Mrs. S. Kamei, Mr. V. D'souza and Mr. V. Sonawane accompanied the two teams. The girls had practice at 4:30 pm after which we quickly bathed and rushed for dinner. I'm sure all enjoyed the food. After a good night's rest, we all awoke and got into our jerseys. Our match was scheduled to start at 9 am. Most of us had butterflies in our stomach but we were still looking forward to the match. The ball was tossed in the air and we easily won the jump ball. Unfortunately the basket was missed, but a few moments later Yashal Patil put in our first basket. The match was an exciting one. Both teams put up a good game. It was a neck-to-neck match but we put in our best in the last quarter and won 24-17. We were a little disappointed as our score could have been much better. The boy's match started at 4 pm but unfortunately our team lost 1-0. They all gave it their best. To end the evening a DJ night was held in their school hall and all of us got up to dance to the beats. We departed from the school at 9 am and most of us were sad to leave so soon but we were looking forward to visit again. I take this opportunity to thank our coaches and Mr. Freese. I thank them for supporting and believing in us.
