

CHRISTMAS CELEBRATIONS - PRIMARY SECTION
THE BISHOP'S SCHOOL, CAMP, PUNE

The cool morning of Saturday 10th December 2011, brought in a lot of excitement and cheer for the students of the Primary Section of The Bishop's School, Camp. This was no ordinary day in the lives of the young Bishopites, this was the day they had all been waiting for and eagerly looking forward to the merriment and excitement.

Preparations had begun days in advance. Classrooms were decorated beautifully and the corridors looked equally attractive with twinkling lights and Christmas decorations. At the entrance, the Crib with Baby Jesus in the Manger together with a Christmas tree and a Snowman were set up to welcome everyone.

The day began as usual with prayers. The students were then taken to the Jejeebhoy Grounds in an orderly manner.

A Nativity Play was enacted depicting the birth of Christ, where all the students joined in singing the Christmas carols.

The icing on the cake was Santa's grand entry which instantly prompted the children to burst into shouts and singing of 'Jingle Bells'. Santa went around wishing everyone 'A Merry Christmas' and 'A Happy New Year'.

The students then went back to their classes where a lot of GOOD WILL, LOVE and CHEER awaited them.

Then it was party time! Each student contributed by bringing in different snack items which were distributed and enjoyed. The snacks were also shared with the other members, particularly the Support Staff who are always at our beck and call and ever ready with a helping hand.

This brought in the values of GIVING, SHARING and DISCIPLINE among the students.

The Teachers gave each of their students a small gift as a token of their love. The spirit of Christmas was truly brought in and celebrated enthusiastically by the students and staff.

It was indeed a day of GOOD WILL, LOVE, JOY and CHEER!
