#### A BRIEF REPORT

The Patwardhan Inter School Debate held at the Bishop's School, Camp included 18 teams speaking "For" and "Against" the topic, "**The current school curriculum is far removed from reality.**" Manish Chughani spoke for the motion and Anantha Hedge presented arguments against the motion. Prominent schools of Pune and the outer reaches of the city participated with an upbeat self-assurance. The Bishop's Co-Ed School, Undri's team exhibited a confidence that was a result of thorough preparation. Both Manish Chughani and Anantha Hedge debated their arguments to the floor flawlessly and summed up their points well within three minutes. The rebuttal questions were given appropriate answers by our team. Though we did not win the Patwardhan Trophy our

students' effort did not go unnoticed. Both the students got the certificates of participation by Mr. Edwin, The Headmaster of the Bishop's School, Camp.
