A BRIEF REPORT

The inter-house debate final between Rae and O'Connor house was held on 28th February 2013 at the Bishop's Co-Ed School, Undri. The topic of the debate was "Education in India is all about marks". The show was judged by Mr. Henry Soggee, the headmaster of The Bishop's Co-Ed School, Undri, Mrs.Ashvini Kulkarni, the academic councillor of Vidyashilp Public School and Mira Jauhari, a teacher in Vidyashilp Public School. The debate was anchored by Mrs.W.Coutinho.

The topic was challenging and the students were able to do full justice to it. They gave each other a tough fight. They told us how marks determine our performance and they definitely count but at the same time a person's talents and capability help him succeed in life.

Rae house won the debate and Dhruv Aghani got the best speaker award. The debate concluded with words of inspiration from our judges. Overall, the debate was both informative and exciting.
