INTER-SCHOOL/INTER-HOUSE INTER-CLASS/GROUP/INDIVIDUAL	: Inter-school
ORGANIZED BY (For inter-school competitions and Outside school activities)	: Riverside School, Ahmedabad
CLASS/CLASSES INVOLVED	: Class 9
A BRIEF REPORT	:

The 'Design for change' is a unique competition. It challenges us to identify a problem we face as members of society, to come up with a solution and implement it. A team of five students from class 9 volunteered to document this quest for change.

Today in our society, girls and women receive very little respect. This problem faced by our society is what we wanted to address. The solution that was implemented by our school was holding 'Krav Maga' (Martial art classes) to empower our girls. These classes prepared the girls of our school to defend themselves and fight back against crime directed at them.

The effort that went into this project was documented by us in a PowerPoint presentation and sent in to be judged. On the 14th November, the results were declared. Our school's effort was specially acknowledged. Our school was awarded a certificate on the 16th of January at the prize distribution ceremony in Ahmedabad which we were unable to attend.

We thank our CEO and Hon. Sec. Mr.F.Freese and our Headmaster Mr.F.Bunyan for having given us this opportunity. We also thank Dr. S.Mishra for her guidance as we worked on our presentation, Mrs. Moscovich and her team for their effort in making 'Krav Maga' classes a success, and our school for giving us the opportunity to be pioneers of change.

REPORTED BY	: Sonali Dey - Class 9F
TEACHERS IN-CHARGE	: Dr.(Mrs.) Suruchi Mishra
