**A BRIEF REPORT.**

**The Third International English Olympiad**

The IEO was held on the 31<sup>st</sup> of January, 2013. This year 720 students took part in the Olympiad. We had one hour to complete this Olympiad with fifty questions in hand. The students were less stressed as they have been appearing for the IEO for the last two years.

The first section '**Word and Structure Knowledge**', was challenging, as it made us realize that our level of vocabulary needed improvement. It made us aware of words and phrases that we had never come across before.

The most enjoyable section was the '**Reading Section**'. The comprehension was interesting and knowledgeable.

The 'spoken and written' section enhanced our communication skills. It also helped us in comprehending speeches better.

We thank the Science Olympiad Foundation and our school for this splendid opportunity. It has benefitted us in numerous ways.
