

THE BISHOP'S CO-ED SCHOOL, UNDRI

activity report academic year 2013-14

FIELD TRIP TO THE GREENHOUSE

ACTIVITY/COMPETITION	: Field Trip
DATE	: 10 th to 14 th June 2013
DAY	: Monday to Friday
VENUE	: School Campus
CLASS INVOLVED	: V
ORGANIZED BY	: Mrs.M.Khatri
PARTICIPANTS	: Students of Class V
TEACHERS IN CHARGE	: All Class Teachers

A BRIEF REPORT

The students of class 5 went on a Field Trip to the Nursery and Greenhouse, in the school Campus itself. This was held in the month of June, as part of their Science Project. The trip was both exciting as well as informative as they learnt about the different kinds of plants, parts of plants, germination and above all how to take utmost care of plants. They also collected samples which were planted in pots and later displayed in class. Overall the activity was a huge success and appreciated by one and all. Looking forward to more such exciting trips in the days to come.
