Date: 30th July, 2011

On 29th July the Under -18 football team and the girls' basket-ball team from The Bishop's School, Camp left for Barnes, Deolali at around 1pm. The journey was fun-filled and comfortable. The teams along with our coaches (**Mr. Deshmukh and Mr. Chourge**) reached the destination at around 8.30pm. We were warmly welcomed by the Barnes team and coaches. Dinner was served soon after. The teams were then taken to retire in their allotted dormitories.

The next morning began with a light breakfast followed by the basket-ball match at 10am. The Bishop's girls lost to the host team with a score of 35-18. Lunch was served after the match followed by an afternoon siesta.

At 4pm. The Bishop's boys tightened their boots and were ready to play the foot-ball match against the host team. A light warm-up session was followed by discussion on the strategies for the game.

The match was kicked off by our team at 4.15pm. It turned out to be an interesting match. A few good shots were played into the post by the Bishop boys, of which the first goal was scored by them.

Towards the end of the second half one more goal was conceded by the Bishop's boys. They also won the match 2-1. It was a happy ending for our team.

After the match the teams freshened up for dinner. It was followed by the DJ night during which the teams had a good time.

The teams with their coaches departed from Barnes, Deolali after breakfast at 9.30am on Sunday morning. They reached school at 2.30pm.

It was a memorable and a learning experience for both the boys' and the girls' teams.
