ORGANISED	: Geography Department
PARTICIPANTS	: Students of classes 5 to 9
TEACHERS IN CHARGE	: Mrs. N. Patrawala, Mrs. K. Arland & Mrs. P. Anand

A BRIEF REPORT

The Annual Middle School Geography Exhibition was held on the 28th and 29th of January, 2014 at The Bishop's Co-Ed School, Undri. It was indeed an honour to have our Head Master Mr. H. Soggee, who inaugurated the exhibition along with Mrs. M. Fernandes our Supervisor who graced the occasion with her presence.

The creativity of the children could be seen at its best. The charts and models were accurate, subject specific and beautifully made. The underlying objective of the exhibition is to make learning fun, because as Confucius says, "I hear and I forget; I see and I remember; I do and I understand."

The Bishop's School aspires to make learning interesting and innovative. Each student is encouraged to think 'out of the box' and focus on the practical value of lessons learnt in the classroom. The enthusiastic participation of students is highly commendable. Their keen desire to learn things acts as a stimulus for the teachers themselves.

The Geography department headed by Mrs. N. Patrawala and her team comprising of Mrs. K Arland and Mrs. P. Anand have collectively made this event a commendable one.
