The Inter House Table Tennis Tournament for the year began on the 17th of July , 2012 which saw a number of enthusiastic participants keenly representing their houses to gain house points.

The matches were contested in three categories , namely Sub Juniors , Juniors and Seniors. The venue for all matches was the basement of The BW Roberts Building.

A battle of accuracy , experience and determination to win was very evident in each match played by the participants. Each House had a maximum number of five participants representing each division or category. The matches played between the various houses were contested on the basis of one singles and one doubles match. In case of a tie the result would be decided by a tie breaker. The participants of each house were seen battling it out on the table showcasing their talent and days of practice.

We hope to see more talented students coming forward to take up this sport and win laurels for their Houses in years to come.
