The inaugural *Maharashtra Anglo Indian CISCE Schools debate* (for the boys) was hosted by THE BISHOP'S SCHOOL, CAMP. Held on the 10th of January, 2013. It was one of the first events hosted by our school after the arrival of the new year. The competition saw 12 TEAMS from all over Maharashtra competing to win the inaugural title of the best team, the runners-up team and individual prizes of Best Speaker and Runner up Speaker.

Topic for the debate was "*Should Sports Be Graded Like Other Subjects In The School Curriculum?*". In total there were 24 speakers, 2 representing each school, where one participant spoke for the motion, one spoke against the motion. With a 3 minute debate + 1 minute rebuttal, every speaker expressed his views while being judged by 3 distinguished judges. The event concluded with The Bishop's Co-Ed School, Kalyaninagar team comprising of *Jaideep Seth and Pranav Dhawan* emerging as the champions. While The Bishop's School, Camp team comprising of *Rohan Jhunja and Deepankar Bhat* emerging as Runners Up. While *Pranav Dhawan* was adjudged the **BEST SPEAKER**. *Rohan Jhunja* of The Bishop's a School, Camp was adjudged the *Runner up*.

The event was an overall success with a lot of interactive and thought provoking questions, actually setting everyone in the audience too to think on the topic, for this too affected them as students. We would like to thank our *Principal, Mr. Frank Freese* and *Headmaster, Mr. Joel Edwin* for their support. While we also thank our *English teachers Mrs. Ravishankar and Mrs. Thanpan* for their constant encouragement.
