A BRIEF REPORT

Selection:

The selection of boys participating in the competition, took place during the activity period of the debate club.

The

students were given the topic

“Is modernization creating restless youth?”

Selection was made on the basis of the content and power of oration of the participants. The English Department trusted the responsibility to train the students, with Mrs. Ghosh. A total of seven schools participated in the event. Our speakers spoke with such firm conviction and good oration skills that they mesmerized the audience with their speech. It was a sheer delight to hear them. Our students spoke very well in the audience round too.

Results:

The results were declared after a short break. It was yet another feather added to the cap of The Bishop’s School, Camp as we were declared the winners of the rolling trophy for the best team performance. Congratulations to Himayush Chopada and Keiran Lobo. The best speaker title was bagged by Himayush Chopada, who had spoken against the motion.

Conclusion:

As we came to the end of the event, the judges made a special mention on the performance of our speakers. To conclude, one can say that our speakers lived up to the school’s expectation and have made all of us proud.
