This year proved to be a great year for all the children who participated in the Long Distance Run which was held on Saturday the 23rd of February, 2013 at 7:30 am at the Race Course.

This year we had around 2500 runners taking part.

Many athletes have a crew to support them during the race, there is time for some final words of encouragement before the runners edge toward the start.

At 7:30 am, as the sun approached, the race began with the Division 5 boys and Open Division for Girls taking the track. This was followed by the races for the runners of Division 4, 3, 2 and 1.

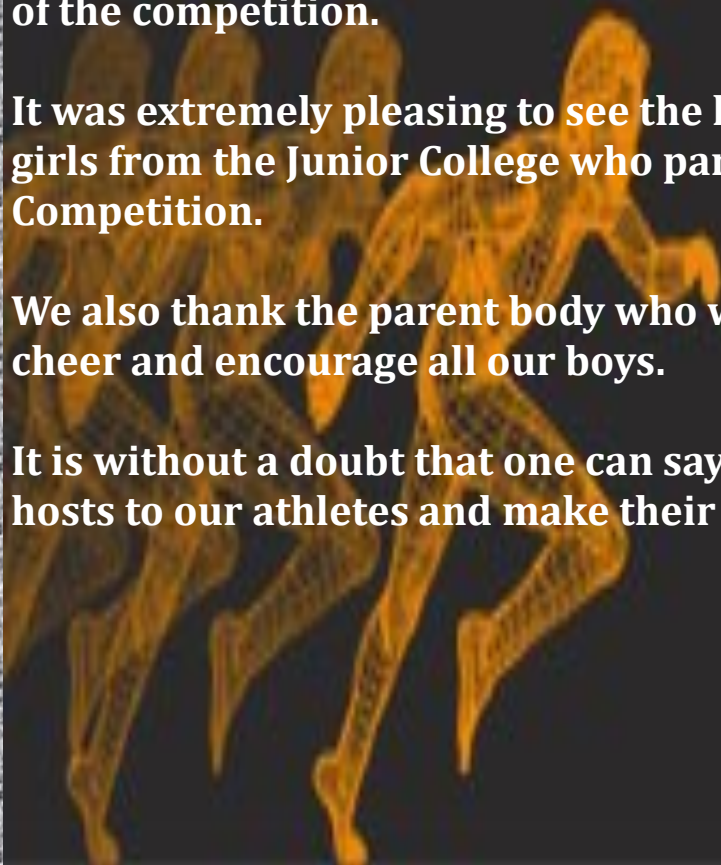

The pace was gentle. An average runner can keep up for the 1st Km easily but this race is about distance, not speed.

The Long Distance Runs provides the participants with an inside and outside look at how to establish them to become better runners. Those present witnessed the enthusiastic participants run head to head thus raising the level of the competition.

It was extremely pleasing to see the level of performance of our girls from the Junior College who participated eagerly in the Competition.

We also thank the parent body who was present to witness, cheer and encourage all our boys.

It is without a doubt that one can say that such events are great hosts to our athletes and make their experience a positive one.
