A Brief Report-

The introduction of the 'Spelling Bee Competition' in the curriculum has led to the development of the students' skill in spelling and improving their vocabulary.

This activity has also encouraged them to SPELL confidently in front of an audience.

Each class had 6-7 competitive rounds. 'Spell the Word'; 'Rapid Fire Round'; 'Guess and Spell the Word' are a few to mention.

It was a wonderful learning lesson for every child who was not only a participant but also an onlooker.
