A BRIEF REPORT

The Interclass Spell Bee Competition was organized by Ms A Dale. It was held in the month of August 2013 for classes 1 to 5. There were 2 representatives enthusiastically participating from each class. The competition comprised of 6 to 7 rounds. A lot of thought was put behind preparing each round, taking into consideration the potential of the students. The active participation of the audience was an encouraging feature at the competition.

The boys thoroughly enjoyed themselves and proved to be thorough Bishopites as each word was correctly spelt out.
