**A BRIEF REPORT.**

Sanctuary for tigers India, had launched the program-**KIDS FOR TIGERS**-twelve years ago, and has been spreading awareness about the majestic being to over a million students every year. On the 3<sup>rd</sup> of February, **KIDS FOR TIGERS** enlightened the students of our school and helped us broaden our perspective about the many threats that the tiger faces in today's world. They made us understand the tiger better by showing us heart-rending pictures, videos and presentations. We now have a detailed account of the life and ways of the tigers. They have helped us to not only see, but also perceive the plight of this wild beauty.

We extend our sincere thanks to our C.E.O and Honorary secretary, Mr Frank Freese, Mr. Ferdinand Bunyan and Mrs. Guha for this wonderful opportunity.
