<b>A BRIEF REPORT</b>	:

The Monsoon Hike to Lohegad Fort was an opportunity for the Scouts and Guides to explore nature at new places and learn about its flora and fauna. It was an adventurous trek to the fort. The students enjoyed the view of the mountains as they ascended. They had a guided tour of the fort. The students enjoyed the showers of rain that fell at intervals.

It was a wonderful experience to be in communion with nature far away from city life.
