A BRIEF REPORT :

On the 2nd of November, we had the privilege to join in the celebrations of the birthday of our dearest Headmistress, **Mrs. Valerie Freese**. The morning began with a special assembly in which the entire student congregation collectively prayed for the good health and well-being of our head mistress. Handmade cards, created by the students themselves, were presented to her by the students. This was followed by presentation of floral bouquets by the head boy and head girl, on behalf of the entire teacher and student community.

The teachers were given a treat in the dining hall and it was indeed a great way to begin our new term after a wonderful vacation.
