A BRIEF REPORT

The Bishop's Co-Ed School, Undri, celebrated its "Annual Prize Day" on 18th July 2014. The Junior School event was held in the morning and the Senior School began their event at 6:30 in the evening. There was hectic activity as the 'Shining Stars' of the school walked to the venue in their sparkling whites and shimmering blues, eager to receive their awards. The Chief Guest for the morning was Mr. Kevin Martin, a Teacher, Litterateur and avid Sportsman. The Chief guests for the evening were Mr. Bijoy Guha and Mrs. Sharmistha Guha. They were received by the Headmaster Mr. Henry Soggee and the Supervisor Mrs. Melissa Fernandes.

Mr. Frank Freese, the CEO and Hon. Sec. led all present in prayer asking the Lord to bless the school, especially the students who had worked so hard to achieve this glory. This was followed by the introduction of the Chief Guests who were welcomed with flowers as a token of gratitude and esteem. The Headmaster in his 'Annual Report of 2013-2014' spoke about the events held in the course of the year, in academics as well as co-curricular activities.

The much awaited prize distribution commenced thereafter and it was a treat to see smart 'Bishopites' walking to the dais in perfect discipline, to receive their awards.

The Chief Guest for the morning Mr. Kevin Martin through two short stories spoke about parent-child relationship and made the children aware of their responsibilities towards their parents. Mr. Bijoy Guha spoke about various

facets of education and the need to think out of the box' to develop a wholesome personality.

It was a very special day for the ICSE batch as thirty seven students scored ninety percent and above and were felicitated by the School. Himanshu Aswani and Kavish Shah scored an astounding 96.6% and each of them was awarded a special prize in the form of an I-PAD. This was followed by a vote of thanks by the Head Girl Ananya Sarogi in the morning and Head Boy Udbhava Bharadwaj in the evening. The programmes ended with the rendition of the School Song and The National Anthem.

The events were a great success and both parents and students enjoyed them.
