Our class 3 and 4 students were all set and well prepared for the Inter-house Quiz competition 2013 - 2014. There were 3 students each from the four houses. The contestants were backed by a large number of spectators who were from classes 3 and 4 and were very enthusiastic when questions were put forth to them. Wintle house and Young house were neck to neck till the very last round when ultimately the contestants of Young house gave their best shot and won the Inter-house quiz competition.
