**Saffron - A symbol of Courage.**

**White - Peace and Honesty.**

**Blue - Vigilance, Truth and Loyalty,  
Perseverance & Justice.**

**Green - Hope, Joy , Fertility and Love and in  
many cultures have a sacred  
significance.**

**“WHERE THE MIND IS WITHOUT FEAR**  
**AND THE HEAD IS HELD HIGH....**

**These words of supplication immortalized by Guru Rabindranath Tagore seem to be as meaningful in today's context as when they were first penned.**

**A reading of these lines by the Head Girl Liyaan Akkalkotkar struck a patriotic chord in the hearts of all who had assembled on the beautifully manicured Jeejeebhoy Ground. The multitude of students, Ex Bishopites and parents was a sight to behold.**

**Our Honourable Principal , Mr. Frank Freese offered the opening prayer at the commencement of the programme. Soon the lilting hymn ‘I vow to thee my country’ sung with full throated ease reverberated the open field. Om Bhansali of Class 5 recited a patriotic poem in Hindi which was highly applauded. Mrs. Kale, assistant to the Headmaster and the Head Boy Gaganjeet Reen offered prayers.**

**The Headmaster, Mr. Joel Edwin addressed all those present on the occasion . He spoke on the genius of the tri colour and how our freedom fighters and leaders arrived at the choice of these colours which hold great meaning even today.**

**At the end of the programme refreshments were served for all the guests.**
