A BRIEF REPORT

This was the first year that 'Boxing' was introduced in our school. It was a new sport for our students to experience and learn. It was very encouraging to see students participating in such large numbers. Our CEO & Hon.Sec. Mr. Frank R. Freese, was the Chief Guest for our Boxing Finals. A number of bouts ended in split decisions. The audience was enthralled by the standards set in some bouts. We look forward to more pugilists in the upcoming year and hope that they display greater skill and box with more confidence in the future.
