**A BRIEF REPORT.**

The 12<sup>th</sup> **All India HOPE Contest** was held in our school on the 29<sup>th</sup> and 30<sup>th</sup> of October, where 1211 students participated in the Drawing and 520 students participated in the Essay contest. **The Schoolsindia** holds this prestigious competition every year, and the proceeds collected go to 'HOPE' a charity which they support. The essay contest was open to students from the 1<sup>st</sup> grade to the 10<sup>th</sup> grade while the drawing contest was open to students, right from the prep school level. The topics for the art competition ranged from 'Circus Life' to 'Celebrations', while the essay competition had topics like '**Modern Day Role Model**' or 'A Day before the Examination'. The topics were both interesting and thought provoking. I hope that our school wins laurels in these competitions. More importantly, participating in these competitions was an enriching experience
