### **A BRIEF REPORT**

The Bishop's School, Undri celebrated National Science day on 28th February 2013. At the morning assembly, Saransh Sinha of IX B spoke about the significance of Science Day emphasizing the achievements of Sir.C.V.Raman.

As a part of the celebrations, the Chemistry laboratory was set up with some interesting demonstrations and exhibits by Class VII and VIII students.

A poster making competition was conducted for Class VI students which dealt with some serious concerns faced by today's world such as the requirement for new techniques of water harvesting, controlling atmospheric pollution and importance of energy conservation.

**An essay writing competition was organized for Class VII students on the topic: If I were an element....., an organ of the body ....., a musical instrument .....**

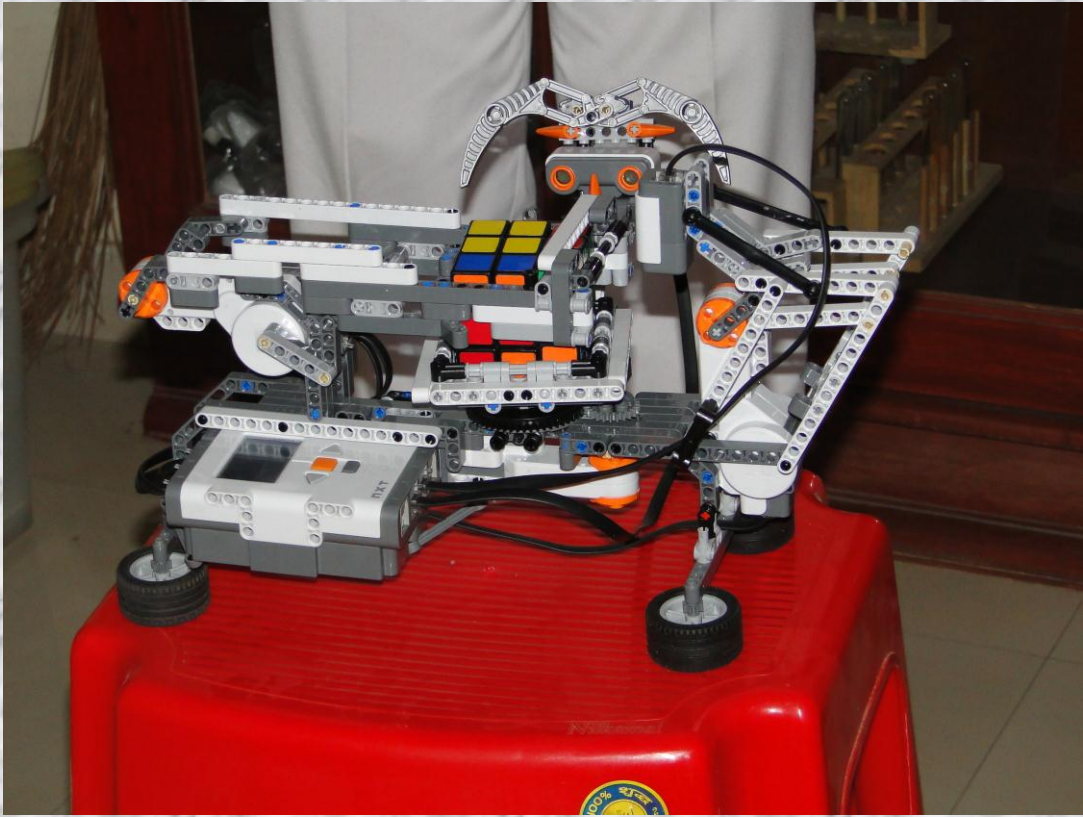

**An educational trip to IUCAA was also conducted for class IX students as a part of the celebrations.**
