A BRIEF REPORT

With the able guidance and support from our Headmaster, Mr. H. Soggee an overnight Camp was organized by the Scout Masters and Guide Captains. In all there were 121 students who attended the camp. It was an exciting event as it was held in the school premises. There were various games and activities held and the students enjoyed each moment of the day thoroughly.

An interesting part of the camp was the cooking session - The students were divided into 6 groups and each group had to prepare evening snacks and breakfast. We learnt how to pitch tents, make gadgets and above all maintained disciplined behavior. The Campfire was another attraction of the camp wherein each student took an active part.

After this we enjoyed the star gazing session and the next morning the bird watching session. All in all, we Scouts and Guides had a great time in this camp and hope to have such camps in the school again in future.
