## A BRIEF REPORT

The Spelling Bee Competition is an event that always attracts enthusiastic competitors.

Elimination rounds were conducted. There were written tests to shortlist the final participants from each house and each class.

The Final Teams comprised of 4 representatives each, from classes 6,7, 8 and 9.

The final competition had a wonderful mix of a variety of questions that tested not just the ability to spell correctly but also the richness of vocabulary and knowledge of the English language.

There were 7 rounds in all—Visual, Guess The Word, Spell Fast etc.

The special audience round generated a lot of interest and received an over whelming response. The students participated whole heartedly.

The invaluable help rendered by Mrs. C Daniels, Mrs. R Shaikh , Mr. A Eates and Mr. L Lariviere made the competition a super show.

The winner of the day was 'Bishops House'.
