A BRIEF REPORT

The Indo Swedish Story Telling and Puppetry Workshop was organised by Kathotsava 2011 at the Orchid School on 5th August 2011. The first session of the workshop on story telling was taken up by Mr. Ola Henricsson and Ms. Geeta Ramanujam. Mr. Ola Henricsson laid stress on language, team building and explained how important it is to connect to the subject while telling stories. Story boards are an essential tool to help children retain, recall and retell stories. Ms. Geeta Ramanujam briefed us about the objectives of Kathalaya institute. She narrated beautiful stories using voice modulation which made the story very interesting and effective.

The second session of the workshop on Puppetry was taken up by Dr. Mirella Forseberg Ahlcrona. She taught the teachers to make stick puppets and also gave important instructions to put up a puppet show. The workshop was highly educative and inspired us.
