A BRIEF REPORT.

A team from the Bishop's Co-Ed School Kalyaninagar, went to the Balewadi Stadium on the 11th of February, 2012. The day before, we went and organized our stall. Within the few minutes allotted to us, we were able to exhibit a brilliant stall that was appreciated by the entire audience. The topic assigned to us was "Awareness against the use of plastic" and we did a splendid job in explaining it with various charts, models and exhibits. We also had a "Visitor's Corner" where the spectators were able to augment their insights. There was also a spot quiz and our school was victorious in that event.

We thoroughly enjoyed the opportunity given to us, and would like to thank the CEO and Honorary Secretary, Mr. F. Freese, the Headmaster, Mr. F. Bunyan and all the other teachers involved for giving us a chance to voice our opinion.
