A BRIEF REPORT.

The 3rd Inter-school Triangular Meet for the year 2011-2012 was a mammoth success. As each year passes by, the competition grows stronger and the standards set by the three Bishop's schools' rises higher and higher and still higher.

The meet started with the opening march- past from the three schools depicting the unity of Bishop's Education Society. The perfection and co-ordination of the Bishop mind can be realized by the fact that a single practice in the morning of the meet brought us to perfection.

The event opened with the 100 and 200 meter races with KLN bagging most of the prizes. This was followed by a colorful performance of co-ordination and mindset, by the Undri School. It was succeeded by the pyramids display by the KLN School that showed the flexibility, synchronization and dare-devil stunts.

The relays were the cherries on the cake as they were the most interesting events of the evening. It exposed the athletic skills of the three schools.

During the prize distribution the winning school for the year was "The Bishops Co-ed School, KLN". It was truly glorious moment for us and this taught us the true meaning of teamwork, sportsman spirit and added to the saying "Practice makes one Perfect".

The tag and the trophy of "The fastest runner of the meet" were prestigiously taken away by Prachi Bambarkar (KLN).

I end this report by quoting a few words from the poem "Laugh and be Merry" by John Mansfield, kindling the spirit for our future endeavors':

"Laugh and be merry together, like brothers akin,
Guesting awhile in the rooms of a beautiful inn,
Glad till the dancing stops, and the lilt of the music ends
Laugh till the game is played, and be you merry, my friends."

The individual awards for the various categories were as follows

Category	Best Athlete – Girls	Best Athlete - Boys
Under-12	Nainika Pai (KLN)	
Under-14	Nikita Biradar (KLN)	Utkarsh Pathak (KLN)
Under-16	Chelsea Bast (KLN)
