

Teachers Day Celebration at Lavasa

To celebrate Teachers' Day, our school organized a trip to Lavasa. The journey started in a very enthusiastic mood with a prayer. The teachers were all smartly dressed in casuals. We sang songs and played games in the bus. We were mesmerized by the scenic view all along the way.

On reaching Lavasa, we were warmly welcomed by our C.E.O. and Hon. Secretary. Mr. F. Freese. This was followed by an informative documentary on Lavasa. X-thrill the adventure club led by Col. Nair kept us engaged in thrilling activities for the next 3 hours. These activities helped us to de-stress ourselves as they were challenging and gave us the opportunity to realize our latent potentials. After the exciting games, we were served a hot and delicious lunch, followed by the declaration of the results of our team games. The staff of Kalyaninagar emerged as winners.

Although it was a wet day, it did not curb our spirit. We thank Mr. F. Freese for organizing such a wonderful event for us.
