

The Bishop's School, Camp

Activity Report

The Art and Craft Exhibition

Date ; 6th August, 2011

Venue: The Harding Hall, The Bishop's School, Camp.

The Art and Craft Club of the senior school and the Art students from the Junior College came together and worked for over two weeks during the activity periods for this exhibition. Mr. Yadav and a few teachers from the Senior School ably guided the students in bringing out their creative talents.

The result was an excellent display of creativity and colour. The students had made articles like gift boxes, flower vases with artificial flowers made of tissue paper, paper bags from newspapers and chart papers, envelopes, greeting cards, photo frames, mirrors in glass painted frames and many more such articles. . Students took this opportunity to promote use of recycled paper and paper bags as a movement against use of plastic and global. A special mention has to be made on the excellent paintings on canvas and board displayed by Vikram Madan, a student of 10th std.

It was a visual treat to all the students of 6th, 7th and 8th std. students who were taken to the hall to view these objects. Not only did they learn how they could use their free time more productively but also how they can contribute to saving trees and the environment.
