:

On the 14th of November, 2011, our school celebrated **Children's Day** with great enthusiasm, to commemorate the birth anniversary of the first Prime Minister of India, **Pandit Jawaharlal Nehru**. The day began with a special assembly in which the teacher's choir sang a special song dedicated to the children all over the world. This was followed by an inspiring talk by our school prefect, Deepankar Bhatt on the life and work of 'Chacha Nehru'.

The Head boy Rohan Jhunja and the Head girl Sania Poorviah presented two rose saplings to the Headmaster, Mr Bunyan, on behalf of the student body of the Bishops School, so as to keep the memories of this special day, alive forever. These were later planted by them in the school garden.

The entire congregation of excited Bishopite's, then assembled on the grounds to witness a fun-filled morning that began with a round of TUG – OF -WAR MATCHES, between the children of various classes and their respective staff members.

Most of the rounds were won by the student body, much to their delight. This was followed by an unique obstacle race consisting of hurdles, sack race, shooting baskets, and many more, had the students in splits of laughter as they witnessed their '*strict and somber teachers*' tumbling and enjoying themselves.

The *icing on the cake* was when the headmaster, Mr. Bunyan and Mrs. Guha too, enthusiastically participated on all the races leading to a nail-biting finish.

Lastly the students of classes 6 and 7 were shown a documentary compiled by the TATA Company, based on their '**SPEAK FOR THE EARTH**' enterprise to save the

environment and reverse the damage caused ,as far as possible.. The school concluded at 11 am and there was a sea of happy and contented faces as students left for home.
