A BRIEF REPORT.

Italy is a land of rich heritage. You all know about Italian pastas and pizzas. But, do you really know who created these delicacies ? Did you know the fashion capital of the world is located in Milan, Italy? These are some of the facts that we got to know while preparing for the Quest Italia 2012. This quiz took place on the 8th of October at the Kargil War Memorial Hall in Khadki. Five teams, comprising of two students each, were selected to represent our school in this quiz. The Quest Italia was sponsored by Del Monte and the Quiz Master was Kunal Sarkar, the Director of Quiz Craft. The quiz had two rounds – the preliminary round and the final round. The preliminary round had twenty tricky questions. While the papers were being checked, we had an interactive session with a renowned Italian Chef –Chef Naresh. He demonstrated how to cook pastas in short span of time. Our school students got the opportunity to assist the chef. Everyone was filled with zeal and the Quiz Master interacted very well with the audience and the participants. Some of the rounds were 'Del Monte Food Round 'and the 'Audio-Visual Round'. After each round, a question or two was asked to the audience. Our teams won many hampers in these rounds. Ultimately, the Garware College team emerged as winners and qualified for the National Finals which will be held in Delhi. It was a great experience and we are really enriched. Although we didn't qualify, we kept the school's colours flying high. We eagerly await the next edition of Quest Italia and hope that we live up to its challenge.
