ORGANIZED BY (For inter-school competitions and Outside school activities)	: T.I.M.E
CLASS/CLASSES INVOLVED	: 8, 9 and 10

A BRIEF REPORT:

On 5th October, 2011, Students of classes VIII, IX and X participated in the Aqua Regia Quiz, 2011 organized by T.I.M.E. The contest required all students to participate in pairs. It was a written quiz where twenty multiple choice questions had to be answered within a time period of twenty minutes. Questions based on general knowledge were answered by students with great enthusiasm and a sense of involvement. The correct answer was awarded three marks whereas incorrect answers had a penalty of one mark. Therefore we had to deliberate before choosing the correct answers. Five teams will be selected from our school. These teams will then compete with the other teams in the city in final round. It was an enriching and educative experience. We learnt the importance of team work and time management. I take this opportunity to thank our CEO and Hon. Secretary, Mr. F. Freese, our Headmaster Mr. F. Bunyan, Mrs. Guha and Mrs. Venkateswaran for giving us such a learning and educative experience.

NIKITA BHARATI
IX-E

TEACHER(S) INCHARGE **: Mrs. J. Venkateswaran**
