The evening of Saturday, 11<sup>th</sup> August, 2012 was a truly mystical one for all those who witnessed the musical stage adaptation of J K Rowling's 'Harry Potter and the Philosopher's Stone.'

'A Magical Musical at Hogwarts' was presented by the Senior Section of The Bishop's School, Camp, and took people back into a realm of time when wizards and magic predominated the then known World.

The stage sets, choreography and choir were par excellence and the principal actors outdid themselves with inspirational performances that left the audience awe struck! Harry (played by Habil Bhagat), Dumbledore (Aarav Vij), Professor McGonagal (Carina Dhunjibhoy), Hagrid (Ishaan Kolve), Hermione Granger (Vidyut Ghuwalewala), Ron Weasley (Saad Modak), and a host of supporting actors did their very best to keep the audience *spell bound* right through the entire performance.

Enriched with backing tracks from various artists such as ABBA, Bruce Springstein, Celine Dion and Queen, the lyrics were re-written to suit the play, and allowed the audience to drift back into genres of music, well loved back in the day.

Principal, Mr. Frank Freese beamed with pride, at the success of the stage production and paid due tribute to the efforts of the staff and students involved. The curtains were called on the extremely entertaining evening with a rendition of the National Anthem.
