The battle of wits began in the month of February and a number of keen participants rushed to their respective House Masters to register themselves for the game. Owing to the overwhelming response in all the four houses , the House Masters were given the task to short list their participants and put forth their best team of 20 players.

The matches were sorted out into 4 groups each consisting of 5 players from a house. This gave us a total of 20 participants with 19 matches to be played in each group. Some matches were decided in a short span of time as one player outwitted the other, instantly leaving no room for the opponent to re collect his wrong move, while the others seem to never come to an end as the players were equally matched and tried their level best to defeat one another . After a week of intense competition between the four Houses the following results were obtained-

<i>FIRST</i>	<i>BISHOPS</i>
<i>SECOND</i>	<i>MANSFIELD</i>
<i>THIRD</i>	<i>HARDING</i>
<i>FOURTH</i>	<i>ARNOULD</i>

We look forward to the same enthusiastic participation from all the students belonging to the four Houses in the Future.
