**A BRIEF REPORT.**

Dive into the colour palette of your imagination. Escape to the city of Mumbai, a city splashed with every shade of Incredible India.

This city is home to the iconic Shri Chhatrapati Shivaji Terminus and many other landmark buildings in various parts of Maharashtra and around India., Now stop and think, What was the first thing which came to your mind when you read this name?

The great architectural feat, the beauty of its ornate arches and pillars?

However, did your mind come up with the portrait of the very person it is named after?

Lost in oblivion, perhaps the very last string which keeps us connected to this great personality is his birth anniversary, which is celebrated every year on the 19<sup>th</sup> of February.

This year, our school too, took up the initiative to bring forward the grandeur of this great Maratha visionary who dreamed of 'Swaraj' long before the actual independence struggle began.

The activities to commemorate this event included drawing, painting and essay writing competitions.

They was followed by a live performance on the 22<sup>nd</sup> of February, in which, Chaitanya Joshi of class 9C, dressed up as Shivaji himself, and brought back to life this majestic 'Being', through his heart warming speech.

This received a tremendous response from the students and that day the halls of the school resounded with the famous chants 'Har Har Mahadev' and this great Maratha king was thus revived to his past glory and stature.
