### **A BRIEF REPORT**

On 28<sup>th</sup> June, 2011 we had the privilege of interacting with Mr. Deepak Dalal, an author. Deepak Dalal 'chucked up' a career as a chemical engineer to write stories for children. He lives in Pune and enjoys wildlife, nature and the outdoor. The Sahyadri hills of Pune are a short journey from his home. When not at his desk writing, he is either trekking their slopes or cycling their valleys. Mr. Dalal spoke to us about four of his books, 'Lakshwadeep Adventure', 'Ranthambhore Adventure', 'The Snow Leopard' and 'Anirudh's Dream'. It was an audio-visual presentation. He took us through the flora, fauna and the history of our state. It was an enriching experience to hear and see the inspiration behind his writings.

### **A BRIEF REPORT**

On the 28<sup>th</sup> June, we had an interactive session with a renowned novelist, Mr. Deepak Dalal. The session commenced with a brief introduction of all his books and how his indefinite love for nature led him to writing as a career. Trekking, hiking and exploring the adventurous forests have added to his vast knowledge and umpteen plots for his books, those not worth missing. A clip of his encounter with a snow leopard was just an addition to the spectacular discussion. Noteworthy examples of his adventures are a tour to Ladakh, trekking from Lonavala to Mahabaleshwar and walking all the way up to Torana Fort. The zest and vigour of the audience was maintained throughout the program and it saw its end with smiling faces returning to the classes. I would like to thank our CEO and the Headmaster for organizing this wonderful event.
