A BRIEF REPORT.

- On 28th August, 2012, the Tata Consultancy Services (TCS) had organized an Inter-School IT quiz for students of classes 9,10,11,12. Thirty students of our school from classes 9 and 10 participated in the quiz. The quiz was held at Yashwantrao Chavan Natyagrahu, Kothrud and was conducted by the famous quizmaster 'PickBrain' aka Giri Balsubramian.
- This year the quizmaster Pick Brain had a little surprise for all of us. Since the quiz is IT based, he used a new software which had animations and famous online games like Angry Birds, The famous Theft, MaxPain and Total Kombat as modules for the quiz. This was the first time software like this was used for a quiz in India. It was absolutely stunning!
- Our children experienced an enthralling quiz. They were happy to be a part of such a prestigious and exciting IT quiz. Although our children could not make it to the finals, they learnt that failures are a stepping stone to success and they would work hard next time to get to the finals.

It was truly an enriching experience for all students. We sincerely thank our C.E.O Mr. Frank Freese, our Headmaster Mr. F. Bunyan and all other staff members for providing us with such a wonderful platform to express ourselves.
