A BRIEF REPORT

This was the second activity of the Environment Club for the academic year 2012 -2013.

For this project, the students of class 10 were taken to the open area adjacent to the B. W. Roberts Hall, where 6 Champa and 4 Hibiscus saplings were planted.

These students were assisted by the senior members: Hrishikesh Sabde and Akash Bhalerao. Mr. Kanojiya was present to render guidance and assistance. The gardeners were also present.

Once again we thank Mr. Freese for the opportunity and Mr. Edwin and Mrs. Kale for their co operation and never ending support.
