

HINDI ELOCUTION REPORT

“Poetry is the most beautiful, impressive and widely effective mode of saying things.”

-Matthew Arnold

The Hindi Elocution Competition for the junior school was held on 18th July 2022 in which students from UKG to Class 5 participated. The whole purpose of such competitions is to develop interest in the Hindi language and to foster a sense of belonging towards our national language among the students. Public speaking also helps inculcate self-confidence in the children.

The participants prepared and presented different interesting poems from varied topics written by several famous Hindi poets. Smart usage of attractive props enhanced the overall experience for the young audience, who found the programme captivating as well as inspiring. This competition was judged by senior teachers from the Hindi department. This endeavour bore fruit due to the constant support and encouragement provided by our headmistress Mrs. C. Dunn. Indeed, it was a memorable day for our students.
