

## REPORT ON THE INTER CLASS DEBATE - CLASS 7

*"The aim of argument, or of discussion, should not be victory, but progress." - Joseph Joubert*

The Inter Class Debate Competition held at Lorna Roberts Auditorium of the Bishop's School, Camp on 26th April, 2024 centered around the topic "Happiness is more important than Success."

The debate surrounding whether happiness or success holds greater importance has been a topic of discussion for centuries.

All the young speakers from both the teams presented compelling arguments supported by evidence, personal anecdotes, and logical reasoning. Interest and tension reached its peak during the rebuttal, yet the novice debaters responded convincingly. The entire event was successfully moderated by Mr. Clinton Fernandes.

The esteemed panel of Judges Mrs U Choudhury , Mrs D Jana and Mrs Siddiqui faced a challenging task in evaluating the debate, considering the depth of the discussions and the eloquence of the debaters.

The encouraging words of the judges and the Head of the English Department Mrs. S. Solomon's insightful and motivating inputs will not only help the budding debaters but also the teachers to put up many more impressive events.

The event concluded with a vote of thanks by Aryan Srivastav followed by the national anthem.
