**RISING STAR: JAY TATED DAZZLES AT THE INTERNATIONAL MATHEMATICS COMPETITION**

The Principal, staff and students of The Bishop's School, Camp, are thrilled to share the outstanding achievement of our very own Jay Tated, of Class 5-C who has earned the prestigious Champions Award at the International Level Competition organized by MatheMagic Hub LLP in May 2024.

This prestigious accolade signifies Jay's perfect performance, achieving a flawless score with 100% accuracy. He demonstrated exceptional speed and precision by solving 75 challenging questions in an impressive 4 minutes and 50 seconds. The competition was conducted online under strict proctored conditions to ensure fairness and integrity. Despite the rigorous environment and the participation of around 10,000 students from various regions, Jay's stellar performance stood out, earning him top honours. His performance is a testament to his dedication, hard work and exceptional talent in mathematics.

We congratulate Jay Tated on this exceptional accomplishment and wish him the very best in all his future endeavours.

Yours Sincerely

**Shayne McPherson**  
Principal
