**CLASS: VI, VII AND VIII**

### **'MAKE THE SPIRITS BRIGHT WITH CHRISTMAS DELIGHT'**

This year on 11<sup>th</sup> December, our school had organized a Christmas Party for the students of the middle school. The celebration was held in each of their classrooms. The entire corridor on each floor of building 4 was exquisitely embellished with various Christmas decorations to bring out the Christmas feeling. These decorations were made by the students, class teachers and subject teachers with a lot of hard work and dedication being put in. The students and staff members were very excited and full of enthusiasm for the celebration.

The celebration began with the morning prayers at 8:00 am which was conducted by the middle school co-ordinator Mrs. A. Khandelwal followed by various games that were organized in each of the classrooms by the class teachers. Some soft Christmas music also was played through the PA system. You could see the excitement and happiness on all the students and staff members faces.

The children brought some snacks like cakes, sandwiches, chips and also some fruit juices which all the students shared in the merry feast. It was truly an overwhelming occasion, to bring out the feeling of Christmas and celebrate the birth of Christ.

School ended at 11 am and the students wished the teachers and their friends, 'A Merry Christmas and A Happy New Year'.
