Dear Alumni

Greetings and Good Wishes!

1. **REGISTRATION:** In reply to our letter dated 9th August 2019 we are happy to inform you that many of our alumni have responded positively and registered themselves to be a part of the official Alumni Association formed by the school.

However, we wish to reach out to many more alumni those who are still not contacted, and request them register as an alumnus of the school on the portal: <http://thebishopsschool.org/alumni/>.

Since the school is actively organizing alumni reunions and participation of alumni in its various activities, the alumni portal would enable the school to keep in contact and reach out to each one of you.

2. **MOBILE APP:** The school will provide shortly a user ID and Password to the Alumni for our mobile app along with path to download and Register. I do hope our alumni will download this mobile app and register themselves.
3. a) **MITRE:** We are in the process of updating the school website www.thebishopsschool.org with the annual school magazine. We have been able to upload the Mitres of recent years. We encourage our alumni to provide us with Mitres of yesteryears, either through a soft copy (alumni@thebishopsschool.net) or a hard copy, which will be scanned and uploaded on the portal and returned back.
b) **PHOTOGRAPHS:** *It's pretty clear that there is a connection between human memory and the photographs we take. Simply put, a photo is information about past light that we can perceive in present time. Similarly, memories are the effects of our past experiences on our present self. Photographs can serve as memory storage and, when viewed, can activate memory recall.*

Hence we request you to provide us with as many photographs as possible available with you i.e. your own school day photographs, certificates, report cards, activities etc. These will be uploaded batch wise for future references.

We are sure our alumni will respond to us generously with their registration with the school and also providing us with Mitres and photographs posterity.

With best wishes

Yours sincerely,

HON SECRETARY
THE BISHOP'S EDUCATION SOCIETY

P.S: We would like to clarify that the Bishop's Education Society has not given its consent to any alumni association to be formed or registered.
